### G. (President) Old Business - Reporting & Updates:

20:00min (7:05pm-7:25pm)

#### 1. Officers:

##### 1. President (*Scott Stolte*)

- Since my original report was submitted, I have received communication from the Baden-Powell Council Executive Matt Bull. At this time, I am going to change my position regarding the last portion of my report. Section 10 on Old Business & New Business on my report are null – please reference the meeting minutes.
- I received an email from Matthew on 2 topics – 1) LAF Arch – Relocated & Put up at the Stewart Park LAF Wilderness Rec Area/Trail. 2) The Council is "Diving Into" promotions this week and they were inquiring about our communications database.
- Items we now know for this summer – No access to buildings, no running water, wedding style tents to act as Dining Hall, Use of Handicraft Porch & Pavilions. No sleeping arrangements. We are also told that a portable water system is being brought in-
- Frontenac Rd. should be completed sometime in May
- LDC says the State is the one "locking us out" – LDC continues to not have a concrete plan – It appears that nothing except Scouting will have access to the camp – likely until after the 2026 season.

##### ✓ K. Gross Comment:

- i. "Even though we may not qualify for Short Term Camp Standards we still need to comply with at minimum Scouting America Camporee Requirements/Standards."
- ii. "Running Water is a necessity."

- ✓ **D. Saunders Comment:**
  - i. "And we are charging participants almost twice as much for less than have the amenities? – It doesn't seem like a viable program at this point. We are not receiving the support and cooperation of both BPC & LDC."
  - ii.
- 2. VP – Administration (**Tim Clive**)
  - No Report Submitted, No Old Business to Report
- 3. VP – Membership (**Kevin Gross**)
  - No Report Submitted, No Old Business to Report

    - i. D. Saunders notes that revisions should be considered in By-Laws Section 2 – wording around Camp Barton, Ownership etc...

2. **Distinguished Board & Community Relations:**

1. Chairman of the Board (**Alan Dixon**)
  - ✓ Chairman's Minute
    - i. Expresses concerns about the condition of Camp Barton. To hope that we can operate with it in this condition and with the restrictions we are being encountered within 2 months' time is concerning.
2. Immediate Past President (**Pete O'Connell**)
  - Met with J. Babbage today – John indicates that he is working on getting promotional materials out at this time. Indicates he would send it to CBSAA for us to send to our membership.
    - ✓ States we may be able to use 2-man tents from Tuscarora
    - ✓ Against calling Badges at Barton a Short-Term Camp & intends to not involve health dept – calling it a "camporee"
    - ✓ Waterfront activities are in question / same for Range and Target Activities
    - ✓ John indicates continued supports all programs that previously were part of the camp to operate.
    - ✓ John is requesting assistance / participation from CBSAA members at Cub Weekend in May to evaluate use options.
  - By-Law clerical work to amendments have been completed and passed along to the secretary for filing.
  - Questions:
    - ✓ D. Saunders – how is the council marketing Barton at this time? -- Nothing on website – only on calendar.
    - i. PO - Council avoiding promises at this time due to lack of upholding of commitments by State/LDC
3. Past President(s) –*Pending / TBD*

  - Expresses concerns about the health department and John's position on this – Seneca County was adamant in 2024 that we needed to have the level of approval we attained in 2024 to operate Badges at Barton.
  - Expresses major concerns regarding volunteer recruitment due to us not having a place for them to stay.
  - Will further update on plans for initial communications for 2025.

## **H. (President) New Business -Items/Ideas presented for review/consideration/voting**

**45:00min (7:25pm-8:10pm)**

1. **Officers:**

1. President (**Scott Stolte**)
  - If we don't show up to camp this summer and support the council – the program/camp will end, and we will take the blame for it.
  - Covert is a member of the LDC – however they have not paid their "dues" and no longer have a vote. They are \$5,000.00 short – one option is perhaps we raise the money and give it to Covert to help attain their new chairholder a vote.
    - ✓ This is an idea that P. O'Connell and S. Stolte have thrown around – it's up for consideration by the board.
2. VP- Administration (**Tim Clive**)
  - No Report Submitted – No New Business

3. VP- Membership (*Kevin Gross*)
  - No Report Submitted – No New Business
4. **VP- Strategic Planning (Vacant)**
5. VP- Business Development (*Keith Gibbs*)
  - Expresses concerns that if we run camp how we've run it the past couple of summers, we present a large risk for failing our customers.
  - We have an opportunity to change the value of what we offer to the Scouts by simplifying what we do down to the basic core principles and values of the Scouting program.
  - Expresses a plea to the organizers – that we consider this to be a camporee format – where we have competitions, excitement, and less focus on advancement and more on the experience.
    - ✓ S. Stolte- asks Keith if he can script something like this out.
6. Treasurer (*David Ludewig*)
  - Reminder that a next month's meeting a draft of the annual fiscal report and a proposed budget for 2025-2026 needs to be presented to the board.
    - ✓ Our general standard operating budget has generally been set around \$6,000.00 -
    - ✓ If you are an officer or chairman, please reach out to submit anticipated repetitive expenses.
    - ✓ We also need to know the value of non-repeating contributions we anticipate wanting to make.
      - i. P. O'Connell – money that was previously used for Badges at Barton can be re-allocated to Camperships
      - ii. D. Jones – stresses that Officers and Committee Chairman need to submit to David an Annual Operating Budget projection \$\$ so that we can grow the associations base-line functions. Ex) Membership software

**Old Business:**

Despite my letter and phone call to Baden Powell Council with respect to plans for the 2025 Season of Badges at Barton, I have received no response.

As of this date, here is what we know:

1. To the best of my knowledge, there has been absolutely no advertisement for Badges at Barton 2025. There was nothing in the March or April additions of the Link.
2. There have been no updates on social media channels, nor any correspondence from the council addressing the upcoming season. This lack of communication is concerning as it hampers our ability to prepare adequately and ensure the success of the program. We must consider alternative methods to promote the event ourselves, including leveraging our networks and reaching out directly to past participants and volunteers. It is crucial that we take proactive steps to prevent further delays and ensure that Badges at Barton 2025 is well-publicized and organized.
3. At this time the LDC will not turn on the water, all buildings will be locked, including Family Camp and we will only have use of the Handicraft porch and the Scout Craft pavilion. Porta Potties will be used for bathrooms. The BPC will rent a large tent to serve as a dining hall and it appears that all meals will be catered and brought into

Camp. The LDC has breached its contract with the BPC but the Council to date has done nothing to enforce its rights.

4. Program instructors should plan to bring pop up tents in case of inclement weather.
5. All Staff that will not be commuting should plan on bringing their own tents and cots as it appears we will not have access to any of our traditional sleeping quarters. We also do not know if BPC will set up tents for the Scouts and Leaders, so we need to address the impact of these changes on our programming. The limitations on facilities and the need to rely on outdoor setups may affect the quality and delivery of our activities. It is essential that we communicate these changes to our instructors and Scout and Leader participants as soon as possible, so they can adequately prepare and adjust their expectations.
6. The road bridge across the creek should be completed in plenty of time for the program which will allow us access to the bouldering wall (if unlocked) archery and rifle ranges.
7. Can we get Health Department Approval?
8. I do not believe we will qualify as a Scouting America Short Term Camp but that is probably irrelevant.
9. This is all I know at this moment. Both Peter and I are trying to get answers, however, who knows where that will go.
10. In conclusion, the lack of communication and logistical challenges we face require immediate action and collaboration from all involved. We must approach these issues with resilience and a proactive mindset to ensure that the 2025 Season of Badges at Barton becomes a successful and memorable event for everyone.

#### **New Business:**

1. Based upon the lack of support, communication and logistical challenges we face, some Board members think it best that we step away from the program this summer in order to reassess our involvement and consider alternative ways to support the program. This decision should be made with careful consideration

of the impact on our volunteers and participants. It is important that we communicate openly and transparently with all stakeholders to ensure that they understand the reasons behind this potential shift. We either remain committed to our mission and find innovative solutions to overcome the obstacles we face or change the mission.

Ultimately, our goal is to ensure that Badges at Barton 2025 and going forward is not only a successful event but also a valuable experience that fosters growth, learning, and camaraderie among all participants. Currently, it is very difficult to navigate these difficulties and create a positive outcome for everyone involved.

#### Next Steps:

Given the urgency of the situation, we must act promptly to address these issues and ensure that the program proceeds as smoothly as possible. Can we overcome these challenges and deliver a successful and enjoyable event for everyone involved this summer?

I look forward to your input

2. I just received an email from Matthew Bull that Stewart Park is interested in displaying the arch at their park in the LAF wilderness area. I think this a good thing.

Fellow Alums:

Here is a quick summary of financial activity since our meeting on March 10th. This report includes the bank statement from March attached.

### **I. FINANCES REVIEW (Amount & Sources of Moneys Received, Amounts of Disbursements, Amount of Cash on Hand, Receivables Amount, Copy of Bank Statement):**

Current cash on hand from all sources is \$2127.81. This represents a total of \$2,077.81 (Manufacturers Bank cash balance) + \$50.00 (Checks not yet deposited) + \$0.00 (PayPal account balance) + \$0.00 (Eventbrite account balance).

Current recorded net income (donations and sales) received since March 10th from all sources is \$1,400.00.

Disbursements from the bank account since March 10th total \$220.00. This includes a software license, URL renewal, and several miscellaneous items as previously approved against annual budget for Operating Expenses.

Pending Disbursements. None.

Receivables amount is \$0.00.

### **II. FINANCE COMMITTEE (Activities Update):**

The Finance Committee is grateful to report that small donations from new and old members continue to come in, such as to keep the organization operating within its budget, and we encourage everyone to please continue making donations via the PO Box or PayPal as you are able. Our annual Operating Budget runs efficiently at just under \$6,000 each year. Due to large expenses made to support the Summer 2024 program at Camp Barton, the CBSAA no longer has the financial cushion we previously enjoyed. That being said, efforts to generate additional income -- beyond annual membership dues/donations -- are currently restrained until such time that our organization approves a course of action that requires a greater use of funds. Within the next two weeks, we ask directors to submit their requests for adjustments to the proposed budget as shown below, for the next fiscal year that will run from August 1, 2025 to July 31, 2026.

The Proposed Budget and Annual Financial Report & Year End Summary are being prepared for review and approval by the BOD at our next meeting in May, as required in the ByLaws.

However, in the event of any judgment, fine, penalty, or arbitration award against any such director, officer, agent, or employee (unless such person shall be finally adjudged or found, without right of further appeal, to be liable for gross negligence or willful misconduct in the performance of duty as a director, officer, agent, or employee, in which event there shall be no indemnification), or in the event of a settlement or compromise and, in any event, where there is no disinterested majority of the Board of Directors available, the indemnification shall be made: (1) only if the Corporation shall be advised in writing by counsel that in the opinion of counsel (a) such director, officer, agent, or employee was not

adjudged or found liable for gross negligence or willful misconduct in the performance of duty as such director, officer, agent, or employee or the indemnification provided is only in connection with such matters as to which the person to be indemnified was not so liable and, in the case of settlement or compromise, the same is in the best interests of the Corporation; and (b) indemnification under the circumstances is lawful and that such action falls within the provisions of these by-laws; and (2) only in such amount as counsel shall opine in writing to the Corporation is proper. In making or refusing to make any payment under this or any other provision of these by-laws, the Corporation, its directors, officers, employees, and agents shall be fully protected if they rely on the written opinion of counsel selected by or in the manner designated by the Board of Directors.

B. Expenses incurred in defending a civil or criminal action, suit, or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit, or proceeding upon receipt of an undertaking by or on behalf of the director, officer, employee, or agent to repay such amount if it shall ultimately be determined that such person is not entitled to be indemnified by the Corporation as authorized in these by-laws.

C. The Corporation may indemnify any person even though they are not or were not a director, officer, employee, or agent of the Corporation, if such person served at the request of the Corporation on a committee created by the Board of Directors to consider and report to it in respect of any matter. Any such indemnification may be made under the provisions hereof and shall be subject to the limitations hereof.

D. These provisions shall be applicable to actions, suits, or proceedings (including appeals) commenced after the date of adoption of the by-laws whether or not the action, suit, or proceeding arose from acts or omissions to act which occurred before or after such date.

E. The above provisions for indemnification shall be in addition to any other rights to which those indemnified may be entitled under any agreement, vote of stockholders or disinterested directors, or otherwise, or under any law or statute, both as to action in their official capacity and as to action in another capacity while holding such office and shall continue as to a person who has ceased to be a director, officer, employee, or agent and shall inure to the benefit of the heirs, executors, and administrators of such a person.

F. The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, or agent of the Corporation or is or was serving at the request of the Corporation as a director, officer, employee, or agent of another Corporation, partnership, joint venture, trust, or other enterprise against any liability asserted against and incurred by such person in any such capacity or arising out of their status as such, whether or not the Corporation would have the power to indemnify against such liability under the provisions of these by-laws.

## Three Falls LDC Liaison -Report

Enter Executive Board Position

April 8 -2025 – CBSAA Executive Board Meeting

Marc Salino

Name

### **Old Business:**

#### April 2025 LDC Meeting:

Town of covert reps weren't present just 2 from Uylsses and 2 from Trumansburg

Liam was at the last meeting with Council and LDC or State don't recall which one.

Water won't be turned on at this time, port a potties will be provided for Cub winter weekend in May and for Badges. I checked out the all weather water spigot outside the Health lodge and it's still on so water will be available for Cub Winter weekend.

Council wanted LDC to deduct \$1,500 from the weekend rental of \$2,000 for badges to pay for the tent that will need to be provided for meals but LDC vetoed that amount and will offer 1/2 deduction or \$750.

Bridge will probably be finished by the end of May.

Recent meeting minutes still haven't been posted on the village website despite my numerous requests.

Someone from the public wanted to attend the meeting and ask questions but was turned away by Rhordan who said that the meeting is indeed open to the public without any chance for questions or input. She stormed out.

### **New Business:**

LDC next meeting with Parks. Friday April 25.

LDC May meeting Thursday May 8@9am.
