Past President Report

January 14, 2024 – CBSAA Executive Board Meeting

Pete O'Connell

Old Business:

Badges at Barton

As we all know, the Council has taken over the management of Badges at Barton. They would like the CBSAA to support the program by recruiting volunteer staff and Merit Badge Counselors.

Both Matthew and John got back to me today. They are at a conference in West Virginia. My inquiry was, in part: "We need to get started with recruiting Merit Badge Counselors and other volunteers. Wondering where we are with promotion, budget, and what we will be able to offer. Lots of questions."

Response from Matthew when I couldn't reach John was that he saw the Brochures for B@B today, so that is progressing.

My conversation with John followed and he said he was meeting soon with the LDC to iron out what can be offered. He suggested that we begin to ask volunteers for commitments for the three weekends. What weekend(s) they can volunteer for; What Merit Badges they can counsel; What other areas, other than merit badges they can help with.

I would suggest that Program come up with a fill-in questionnaire that can be sent to all members asking for weekend commitments, per the above.

I have not seen a budget. I did get John to correct the Council Calendar just after our last Board Meeting.

I am committed to all three weekends.

Liaison report Dec LDC meeting 12/12/24

To: Scott Stolte <president@bartonstaffalumni.org>, "O'Connell, Peter" <past-president@bartonstaffalumni.org>, DJ Jones <secretary@bartonstaffalumni.org>

Greetings all:

At this meeting Bill Shaw announced that he is leaving the LDC board at the end of the month. There was no mention about a possible replacement from the Covert Town Board. I presented to Bill personally a Camp Barton Coin and he was very grateful for receiving it.

The water has been shut off and will not be turned on until repairs which are many are completed. There may be a carve out for the Bath/Shower house to be turned on by the beginning of Badges (to be determined)
When pressed about water for Scout use during events in the winter and spring Rhordan said that the Ranger's house still has water on so any Scout activities this winter, water can be received there.

I took the liberty to check out the water spigot at the Health Lodge and found out that it still is on. Not sure if the shop water is still on.

The State has gated the main road to admin/dining hall and I believe that they plan on putting another gate but am not sure where.

The State has padlocked all buildings and/or boarded up outside doorways. IE family camp tin roofs/kitchens

The State has plans on removing trees/shrubs along the beach sometime in the future.

Respectfully submitted-Marc

This will be short as there weren't enough board members in attendance for a quorum.

Anyway, Paula Maguire will probably be Covert's replacement for Bill Shaw to be voted on by Covert's board.

The LDC is meeting at the State's Park office on I think that 24th of January.

Covert has paid or will shortly pay it's 20K fee.

The LDC will put together a job sheet for a park manager

That's it.
