

Staff Yearbook

Dedication

We would like to dedicate this, our first annual yearbook to all the dedicated scouters who helped pull us through this summer with maintenance of Camp Barton. Grass was cut when there were no lawnmowers, chicken was barbecued with clock-like regularity, plumbing was plumbed, carpentry was erected, drain fields were pumped, shops were cleaned, signs were routed and painted, scrap metal was dumped, parking areas were stoned, wood was split, and vehicles were maintained. Thanks a million. We couldn't have done it without you.

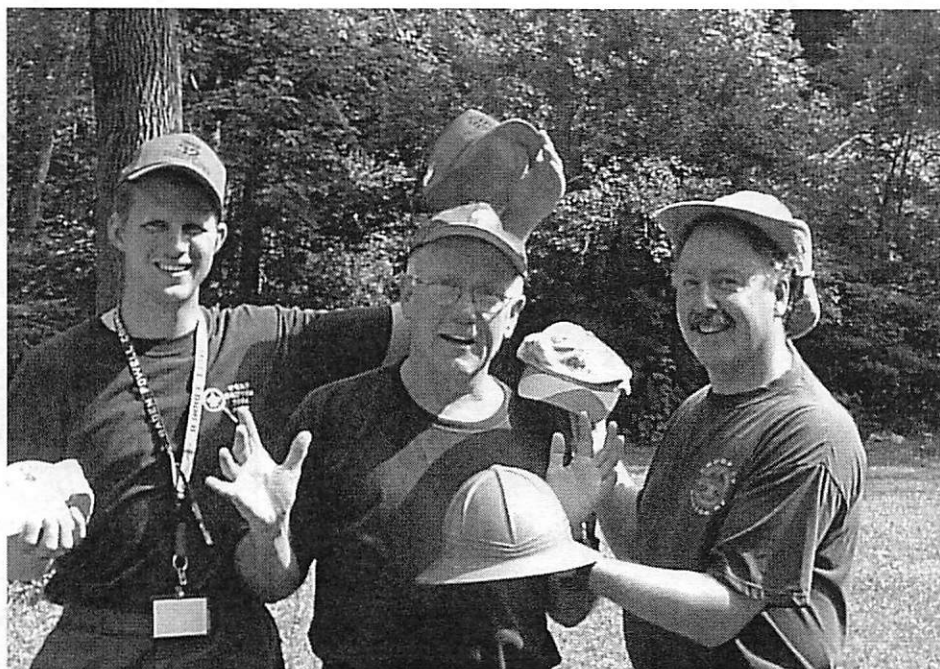

- The 2006 Barton Staff

Camp Director

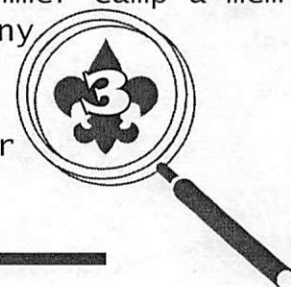

Jamie Saroka

Summer Camp 2006 was a great one! A great program was offered around a mystery/clue theme which the campers participated in and helped to solve "who-done-it". I cannot thank my staff enough for all the hard work they put in to make the theme work and teach all the campers and adults the different training and merit badges asked for. It is because of you that Troops sign up to return each year!

We had some interesting events happen, some planned for, some not. The "Guide to Safe Scouting" does not sanction sleep walking at night along a steep gorge. That activity will be dropped. "Slip and slide" through leach fields will also be omitted from future schedules...

It is the Troops in camp that really help to make Summer Camp a memorable and special time. Each week adult leaders spent many hours helping with camp projects ranging from fixing the bridge to the falls to fixing the fix that the Army Corps of Engineers fixed. Who can forget the Naples, FL troop for giving us Gator the Scout as a parting gift as well as steaks for the entire camp!

Gary Owens, Steve Bogart, the Hatch's, Scott Albrecht, Dave Carlson, Joe Crossgrove, and countless others all played a special part in keeping the camp running and looking great.

As a first year director, I am extremely proud of my entire staff. It is my responsibility that we provide a safe, FUN FILLED environment for each and every camper. I couldn't have done it without you. I thank each one of you for doing your best to provide for each boy, even if it meant doing a little extra that you really didn't have to do. Customer service is important, we don't have a camp if we "turn off" campers or adults. It is the little things that the boys remember, whether it is next week or 20 years from now (tankity tank, tankity tank...)

I think this e-mail I received from a scoutmaster really expresses what we wish to accomplish with every troop that comes through our camp...

A sincere "Thank you" to you and your staff for a great summer camp at Camp Barton. We had a great week (July 9-15) and our whole troop (219) earned our "Barton B's." All our boys either earned 4+ Merit badges or successfully completed the Sidney Winter Program for 1st Class. That week was not only my first summer camp as SM of troop 219 but also my 1st month! After speaking with the boys on the way home we would like to return next year to Camp Barton. I hope it is not too late to place our reservation for the 2nd week of July 2007.

Again, Thanks and hope to see you next year!

Ladies and Gentlemen, thank you for a safe, successful, and fun-filled summer!

Your Camp Director,

Jamie M. Saroka

-Jamie Saroka

Program Director

Pat Mercer

When asked, to compose an article for the yearbook this year, a plethora of ideas came into mind. Choosing one idea to elaborate upon should prove difficult as you will see. Perhaps I should feature the new programs in camp such as the Frontenac Challenge, flag raising or the kayaks on the lake. Then I thought the clue / mystery theme would be a great topic talking about the missing picture of General Barton, stealing the moose and the camp flag. Adding to theme, I would write about Sgt. Periwinkle (Bob Kestler), Mr. Charcoal (Colin Rynne), Miss. Mauve (Garrett Tate), Mrs. Indigo (Ami Saroka), Professor Krimson (Dick Jones), numerous henchmen, Louie Lane (Jeff Andrews), CSI investigators and Detective C.C. McGee (Steven Bogart).

Perhaps something about the campfire elaborating about skits and songs such as the Shooting Sports Hero, the Scoutcraft Director 2000, Stairway to Nature, Take your Pick, Hawaiian Punch, the Three guitar playing Amigos, God Bless America and the Jeff and DJ Show. I could mention program area specifics like the dead squirrel in the Scoutcraft's fish tank still holding on to its food (and somehow it ended up in Nature), or in Nature how many animals got dissected, eaten or escaped, or in the waterfront where I broke so many safety rules Tony banned me from the area, or in Archery where the range was desecrated by the Army Core of Engineers (as well as the boat launch at the waterfront), or the numerous picnic tables painted by Handicraft. Random things that happened this year in camp such as, the weekly flooding, replacing the waterfall bridge every other day, our new parking lot, the "Christmas in July party", how the staff team had a rough year against the scoutmasters in softball, or canoeing through the parade field. Instead, I choose to write about the amazing, dedicated staff we had this summer who put forth the extra effort to make sure that Camp Barton was the best camp in the nation for the scouts who attended. I am honored to be a part of this Camp.

Commissioner

Bob Kestler

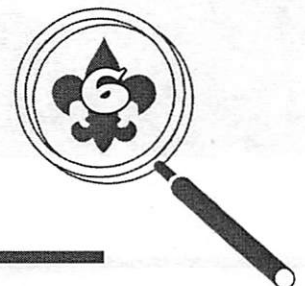

I thank God for helping me on the ski slope last winter with my decision to return to Barton for 2006. I thank Jamie for his wisdom and leadership, Pat for his focus, determination, and drive. I thank Mike Stoll for getting us through inspection and especially Pete Boughman in volunteering and making us a real commissioner staff this year. If confessions are good for the soul, Pete is a tougher inspector than me, but everyone knows that. So what are my memories for 2006? Rain.... The falls were awesome, oops the bridge floated away again. Erosion down the South Frontenac Road into the boathouse and down the center trail of camp. A sleep walker... angels watching over me. What are the chances of staff being up at 1:00 in the morning to be right there for Eli? Great singing... Arky, Arky, Dunderback, Coming Round the Mountain, Mariah, Gary Owen, A new sign for the Camp Barton Song.

There was an early exit of our Ranger, Larry, and I miss him. He was kind to me, an outsider. But the great Barton Spirit took charge and got the grass cut, the shop organized, and the projects tooled and implemented.

So thanks for all of your support, long hours, and arduous labor, but most especially for your scouting spirit, which is alive and well at Camp Barton.

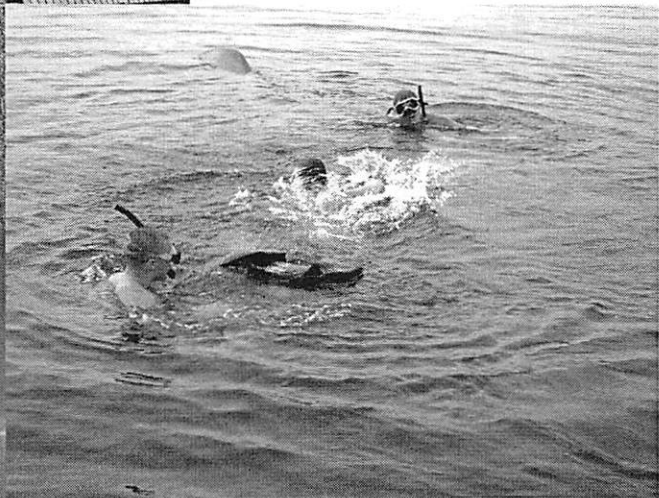

The Band

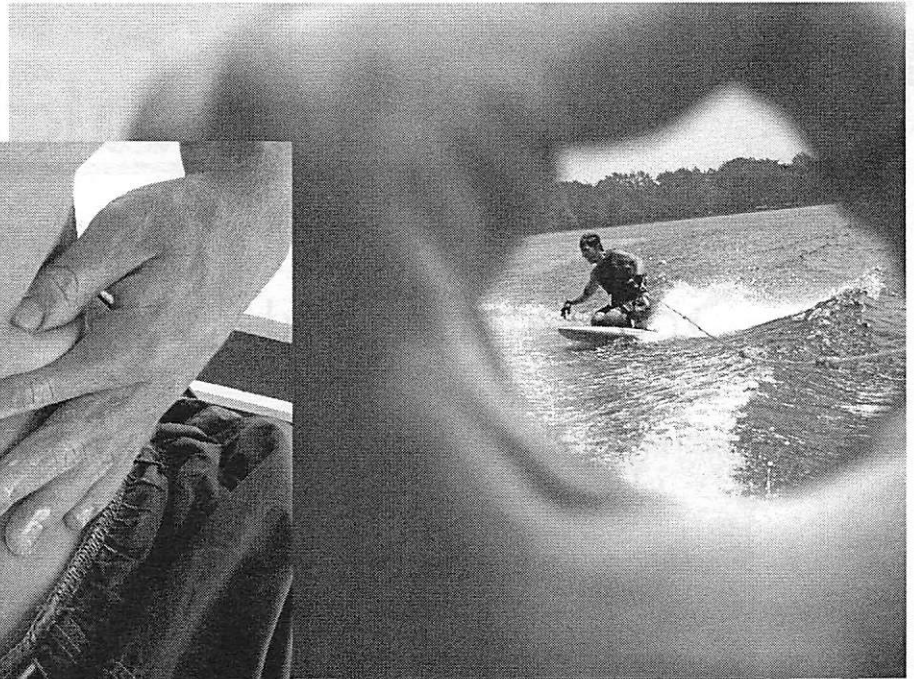

Remember the morning Bob had to play by himself, the morning Nate came running across the parade field to join the band, or the mighty cymbals of week 4. Remember when the septic backed up and Jeff Andrews had to install a new seat cap. All in All it was a fine summer for music. Thanks to all who participated!

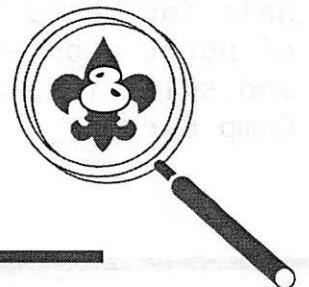

Waterfront

*Editor's Note: The Waterfront thought it best with their busy schedules to express themselves through pictures (I think they are just being lazy).

Outdoor Skills

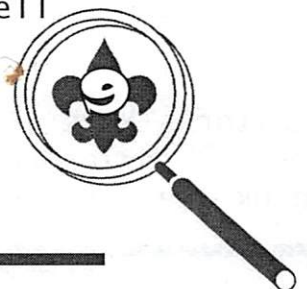

Scoutcraft and Sidney Winter

(Home of the Crotchety Old Men)

"Whippings, Lashings and Other Knotty Things"

So...It was a good year working for the Godfather. The Outdoor Skills Department, "the Work Horses of Barton", have once again proved to be the greatest staff at Barton...well at least we think so. You can always tell us apart from the other staff by our charcoal and mud knees (whole body in Colin's case), blistered hands (more so for Trevor's diseased hand), Scoutcraft farmer's tan, Turks Head knots tied so proudly around our wrist as to cut off circulation, wood chips in our hair (or beard if applicable...okay just Jeff), and the smell of burnt cobbler and wood smoke embedded in our clothes and skin. Yes...we are none other than the hobos of Camp Barton!

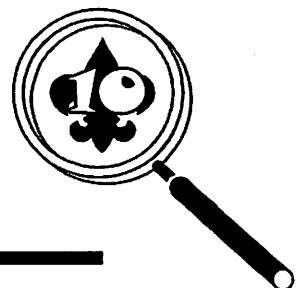

The Queen of Scoutcraft

Judy was brought into this area three years ago and pronounced the Queen of Scoutcraft soon after. She was conceived in a sweatshop in South America with 500 of her fellow brothers and sisters (pylons included). She grew up on the streets of Ithaca. Now she can be found at the highest point in Scoutcraft reigning over our half of Camp. Although busy, she finds time to teach several classes including Safety Merit Badge, Cone Maintenance, and has several other activities such as Java with Judy and One Sided Philosophical Conversations with Scoutmasters that she partakes in weekly. As part of Campwide maintenance we are also hoping to collect enough funds to get Judy a "cone job". Judy and Jeff are planning on wedding in the fall...all are welcome to attend.

Scoutcraft Sayings

Now, just like any hobos, we have come up with our own lingo. You can hear us calling tools by the sound they make...or just random sounds, but somehow we always know what we mean. "Just rig it!" usually refers to a problem in which we have given up trying to solve and we just want to walk away from. Here are some of the many more phrases that have become staples in our area:

- "I don't care much for shade!" & "I got the sugar"- Bob Root
- "Around the fence!"
- "We have a 'shirt on' policy in this area"
- "He's the old man who lives in the pump house..." (referring to Jeff)
- "He showed me the guts"
- "Flashin' like Silva"- Frank VanSickle
- "You don't know what ghetto is!"- Timmy Clive
- "File cabinet it" (referring to any crap kids give us)
- "It's not dead...its, uh, sleeping...cough" (referring to our underwater friends in the tank)
- "The Old Man, C.C. Bogartay, Chief Mattingly, Baughman's Brother, Boogah, Alice Stalker, Griffindor, and the Leper"
- "Absolutely!"

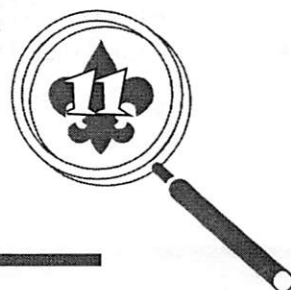

Nature

The 2006 Nature Department consisted of instructors Ami "I refuse to communicate about anything job-related" Saroka & Robert "I was dead at the time...I didn't do it..." Page, Head Instructor Mathias "I gave my rat a bath in bleach" Heinz, Assistant Director Garrett "Ahhahhhhahhahh... I said the beetle!!!"... "the sound of GOD"... Tate, and Director Dick "DJ / Nature Man/ Spaz/ Paperwork God/ You're Fired" Jones.

Most commonly referred to as the snobbish, upper class, and highly sophisticated department, the Nature Staff should most notably be remembered in 2006 for their dominating presence in theme, their dash cunning personalities, and for the fact they are the likely recipient of the "Christopher P. Nelson... most likely to have a policy placed in the staff manual" Cup Award.

Some of the more memorable positive experiences in 2006 consisted of Robert overcoming an extreme fear of reptiles...and every other living creature on earth, Ami's daring endeavors to explore the far reaches of space through the inappropriate use of high grade rocket engines, Mathias' glorious quest for the baseline level of normal human hygiene, as well as his never ending obsession with the creation of knotweed trails, Garrett's sophisticated approach to the in-depth study of weed...s, as well as his provocative portrayal of the lovely Ms. Mauve...and finally DJ's never ending quest to spend a full day in the nature department, without having to enter the administration building, so that his staff would never again have to say "Here?"..."Why on earth would the nature director be in nature...?"

Also we must pay tribute to the fallen soldiers who sacrificed their lives in the name of ecology...WEEEE...The Chinchilla, Big Mamma & her 40 plus young...roughly 20 Red Efts, the Hen, the Rooster, and most notably Garrett's washer and dryer for their gallant attempt to cleanse the linens of Mathias Heinz.

On a more serious note the Nature Staff of 2006 hurdled many obstacles (caused by themselves) and proved worthy of the task. Nevertheless a great summer that wont be forgotten.

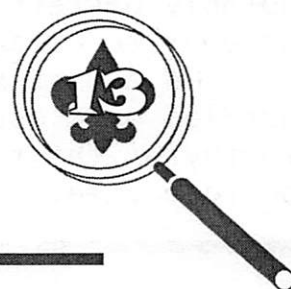

Shooting Sports

Archery and Rifle

It was an interesting year for Shooting Sports. With a new director at the helm of both ranges it was looking to be a very shaky start. With the task before us we rose to the challenge and with a little help from Evan we managed to start camp with a smooth and ready program. This translated to the kids enjoying our area better than any other (Take that Nature!). All in all we had a successful year with no children being shot, maimed, or otherwise, seriously injured at the ranges. We tried our hardest to be rid of those pesky campers but everything still remained relatively safe. So with that we leave this year with many expectations for next year, including the new bouldering wall, and reclaiming our title as the Field Sports Department.

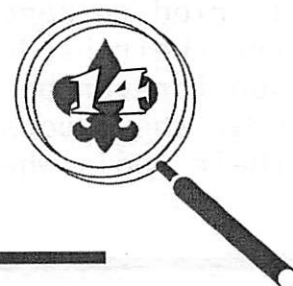

Handicraft

This was a fairly progressive year for a Handicraft crew who started the season on shaky ground, as the group could claim only one year of previous Handicraft experience. That lone year of experience was held by the ring leader of Handicraft, Micheal "Boris" Catalano, who did his best to keep the Lodge afloat (though it is far from the lake). He instructed in the fields of Model Design and Building and Basketry, which should be Eagle required. Jason Seamans, hailing from Groton, was the last member of the entire staff hired as he signed on immediately after graduation a few days into staff week. Despite his late arrival he has not missed a step in instructing Fingercarving and Painting with exceptional results. Finally Leatherwork and Metalwork were held down by first year staff member Nathan Walter. Nate was a CIT last year, specializing in Waterfront, but was able to switch gears and teach the two toughest merit badges in Handicraft. We look forward to next year with several new merit badges in the works and leave this year with a warm fuzzy feeling inside.

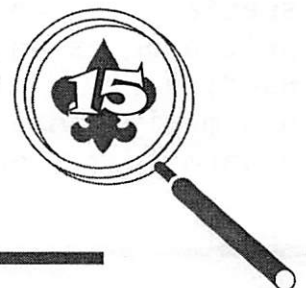

Services

Quartermaster

Its fun being the Quartermaster and I feel it is the best job in camp. It was a little tougher this year than usual since there was no Ranger, but I made due. I kissed the moose a couple times and I tried to keep the shower house clean, though the kids try their hardest to mess it up. I hope I can keep this job forever because I love it so much, and maybe next year the troops will actually remember to bring back their tools when they are done using them.

Services

Chaplain

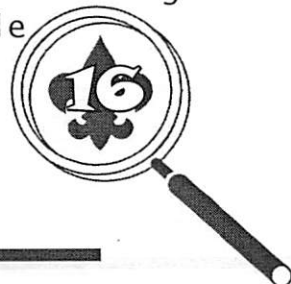

A joyous place to be! Vesper Service on Monday evenings were blessed this year by the addition of the dynamic duo worship team of Jamie and Bob on their guitars. There was standing room only with all twenty eight benches filled. We followed the theme of "Respect - A Scout is Reverent," the twelfth point of the Scout Law. The World Friendship Fund offerings averaged from \$60.00 to \$125.00 each week. The Barton "B" Chaplain's Aid segment training was conducted at least four times during the week - with a lot of interest shown from the out of council troops who have not been to Camp Barton before. This is the fifth year for this segment. The Chaplain spent time with homesick campers and others who just wanted to discuss issues on their minds. Also the Chaplain provided Youth Protection Training to approximately 150 scouters. It was a very busy and enjoyable summer

Health Office

The Health Lodge as always was a hub of activity from dispensing medications, treating injuries and illness, to teaching two First Aid merit badge classes. The extent of serious injuries was small compared to previous years. There were the usual lacerations that require sutures and ankle sprains. I believe that our emphasis on safety has greatly reduced the number of injuries that have occurred.

In my 16 years as Health Officer each year seems to bring a new and interesting medical incident and this year was no exception. We will remember this year for the apparent sleep walking Scout who fell 45-50 feet into the creek bed escaping with only bumps and bruises. My thanks to God; who was certainly protecting the Scout, and the staff who were involved in this middle of the night incident.

I am a very proud to have been a member of this Camp Barton Staff. As the song goes "This Camp Staff is just the Best!"

Services

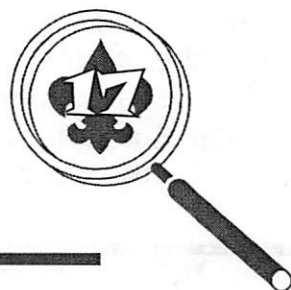

Dining Hall

The Dining Hall in a nutshell:

Baker Sarah dirties more aprons everyday than anyone else.
Dan The Man was called Mike by Mama K for 2 weeks.
Walter sings to Faith Hill while munching on cookies.
Becky likes to spend time in the dry storage (just kidding).
Mike and Andy sing Broadway hits every night in the dining hall.
Josh sings the Washer Woman song to make Sarah happy. Its her favorite song. She doesn't know the words.

Trading Post

Between the numerous spray bottles fights, the rubber band wars, and sabotage plots against Handicraft (mostly on the part of "The Other One" aka: Josh Bennet); we, the Trading Post Staff actually did some work, despite the misconceptions. As the end of summer drew nearer it was not unusual to find either Josh or Gretchen hiding in the freezer, or asleep in the hammock in the store room.

Words Around Camp

I have Pirate Things!

We do nothing, nothing, nothing. We do nothing all day long
we do absolutely nothing. We do nothing all day long.

Happy 4th of July!

Absolutely.

Dutch Oven Cookin!

Gary Owen, Gary Owen, Gary Owen!

So you want to be a Sharp Shooter! Eeeeehhhhh!

She's Good! (Scoutcraft referring to inanimate objects)

And now a word from Jeff Andrews..... S#*T!

Now your a man!

Surprise C*&kbag!

Could be the adam's apple.

You're Fired!

I don't like your scoutcraft attitude..... Yeah well I
don't like your shooting sports attitude!

Pull!

Got your ooo ahhh! Got your ooo ahh!

Gruelly! gruelly! gruelly! gruelly!
Rum tum tum!

Arky, Arky!

Quartermaster to Chaplain.

Three Times!

Left Wheel! Much too Fast!

Nature 1 to Nature 3

Nature 2 here

You are not needed Nature 2 I'm looking for 3.
Well Nature 2 is looking for 4 and 5. Have you seen them?

Awkward..

Rifle Here

Broke Your Fence!

Open Nature!!

All but the Gophers....

Its time for!....Happy Hour / Green Gizmo ??

Real Men Sing...

Troops... Left Face... Forward March....Pass in review...Hand Sa-
lute...Colorgaurd Post....Senior Patrol Leaders Report??
What is going on?!

Kiss the Moose/Shark/Bear...what the hell??

SHAGA BUGGAA CHUGGA FFREERATR#\$%&#%\$*!!!!!!

Hand Salute!!!Click.... Click.....
(See above) BOOM!

Crap!

Staff Profiles

Name: Billy "Arky, Arky" Albrecht

Position: Shooting Sports Director

Years On Staff: 4

Hobbies: Snowboarding, Rock Climbing, and Photography

Interesting Fact: I once slept for 24 hours straight.

Accomplishments: I climbed an Alp in search of a cow, which I found.

Future Plans: I want to be living in Spain taking pretty pictures.

Name: Dan Allen

Position: CIT

Years On Staff: N/A

Hobbies: Video Games, Building Model Cars, and Camping

Interesting Fact: I can wiggle my ears

Accomplishments: Earning my life rank and being in the OA.

Future Plans: I want to be living my life, having fun and a good job.

Name: Sean Anderson

Position: CIT

Years On Staff: N/A

Hobbies: Video Games and Reading

Interesting Fact: I am a part of a fencing team.

Accomplishments: Forming a theoretically possible plan for world conquest.

Future Plans: College and designing video games.

Name: Jeff "The Godfather" Andrews

Position: Old man that lives in the pump house

Years On Staff: 6

Hobbies: Improvisational Comedy, Camping, Learning new Knots, Hiking

Interesting Fact: I once was caught between two hotel doors for over three hours.

Accomplishments: Staff on National Camping School, Working for a student film production company: "Oh Cary Productions"

Future Plans: Working in Outdoor Education with my dog, Samantha; possibly being a hermit.

Name: Chris Banwell
Position: Head Dishwasher
Years On Staff: 2
Hobbies: Playing Guitar, Running, Soccer, and Track and Field
Interesting Fact: I have pirate things.
Accomplishments: I am an Assistant Senior Patrol Leader.
Future Plans: College and Video Game Design.

Name: Josh "Benoit" Bennett
Position: Trading Post Assistant
Years On Staff: 3
Hobbies: Camping, Designing Landscape
Interesting Fact: I am an International Chess Champion.
Accomplishments: I placed in the United Way Art Show.

Name: Steve "C.C." Bogart
Position: Scoutcraft Coordinator
Years On Staff: 3
Hobbies: Surviving in the Wilderness, Whippings, Lashings and other Knot-ty things
Interesting Fact: All of the meals at my house are cooked in Dutch Ovens
Accomplishments: Eagle Award
Future Plans: Living in a cabin in the mountains.

Name: Thomas Bogart
Position: CIT
Years On Staff: N/A
Hobbies: Scouting, Apple Juice Consumption, and Xbox
Interesting Fact: I love my dad's Dutch Oven Cookin'!
Accomplishments: Earning the rank of Star.
Future Plans: Earn my Eagle.

Name: Matt Burkhard
Position: CIT
Years On Staff: N/A
Hobbies: Model Trains, Basketball, Baseball, Football, and Xbox
Interesting Fact: I'm double jointed.
Accomplishments: I have never been absent from school.
Future Plans: I want to become an Architect or Construction Worker.

Name: Mike Carlson
Position: Dishwasher
Years on Staff: 2
Hobbies: Drama Club
Interesting Fact: I make weird voices.
Accomplishments: Obtaining my first job.
Future Plans: Attend College and major in acting.

Name: Mike "Boris" Catalano
Position: Handicraft Director
Years on Staff: 3
Hobbies: Weaving Baskets, Reading Plato, Playing Rugby, Politics
Interesting Fact: I weave baskets.
Accomplishments: Earning the Rank of Eagle, admission to Gettysburg
Future Plans: World Domination

Name: Daniel Comisi
Position: CIT
Years On Staff: N/A
Hobbies: Scouting, Video Games, and Coin Collecting
Interesting Fact: I ran 1500m in 5:59.03
Accomplishments: I have a 90+ average and have achieved the rank of Life.
Future Plans: Become an Eagle Scout and attend Cornell University

Name: Becky Filan
Position: Assistant Cook
Years On Staff: 1
Hobbies: Swimming, Horseback Riding, and Collecting Coins and Gems
Interesting Fact: I have tweety lips when I pout.
Accomplishments: Being accepted into the National Art Honor Society
Future Plans: College, marriage and raising children

Name: Kathy "Mama K" Filan
Position: Kitchen Director
Years On Staff: 1
Hobbies: Hair Dressing and Scrabble
Interesting Fact: I was once stranded in the middle of Norman lake on a raft because one of my kids unhooked the rope from the dock.
Accomplishments: Raising 10 children in today's society.
Future Plans: Being retired and enjoying life.

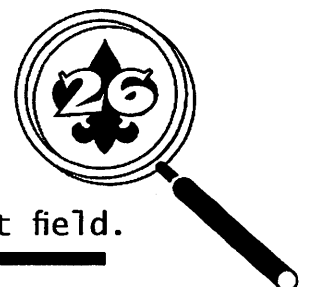

Name: Jeff "Meatball" Fillipi
Position: Helmsman Director
Years On Staff: 3
Hobbies: Sailing, Canoeing, Snorkeling, Diving
Interesting Fact: I'm from this area but I now live in Ohio.
Accomplishments: Nothing that I am at liberty to talk about.
Future Plans: To be a Pharmacist out west.

Name: Tyler Foster
Position: CIT
Years On Staff: N/A
Hobbies: Sports, Being Wierd
Interesting Fact: I can make a lot of animal noises
Accomplishments: I have earned my Star rank and I dont know
Future Plans: To earn my Eagle and become a wierd guy who works at a zoo

Name: Ian Garnett
Position: CIT
Years On Staff: N/A
Hobbies: Reading, Swimming, Soccer, Track, and Video Games
Interesting Fact: I can bend into weird shapes.
Accomplishments: Earning the rank of Life.
Future Plans: Working right here at Barton.

Name: Zach "One Hit Wonder" Griffin
Position: Sidney Winter Instructor
Years On Staff: 1
Hobbies: Swimming, Sleeping, Paintball
Interesting Fact: In my younger years I was part of a traveling gypsy circus.
Accomplishments: I was awarded the prestigious
"Golden Goatee Award" for being the greatest bearded lady
on the east coast.
Future Plans: College then back to the circus.

Name: Gretchen Gross
Position: Trading Post Manager
Years On Staff: 4
Hobbies: Painting, Baking, Reading
Interesting Fact: In defending my honor my brother once
threatened the life of a CIT.
Accomplishments: My painting was on display at Munson
William Proctor for a competition.
Future Plans: To finish college and acquire a job in the art field.

Name: Walter Hartman

Position: Quartermaster

Years On Staff: 5

Hobbies: Racing ATVs, Running, Reading

Interesting Fact: When I run to get the flag, when it starts to rain, I fall down a lot.

Accomplishments: I am proud that I work at Camp Barton and I'm proud of the work I am doing.

Future Plans: I plan on buying a house, getting married, and working at Camp Barton.

Name: Ajax Hayes

Position: CIT

Years On Staff: N/A

Hobbies: Soccer and Music

Interesting Fact: I like to blow things up and try not to light my perm on fire.

Accomplishments: I have the will power to not eat gluten filled pastries.

Future Plans: College, Traveling, and Home.

Name: Mathias Heinz

Position: Nature Head Instructor

Years On Staff: 3

Hobbies: I play soccer, play video games, and build large huts in the woods.

Interesting Fact: I didn't know what a cow looked like until I went to Mr. Bogart's hometown. It was amazing, three years ago.

Accomplishments: I am a member of the National Eagle Association.

Future Plans: It's either space or here on earth at the best Boy Scoutcamp in the world!

Name: Evan Henkel

Position: Archery Instructor

Years On Staff: 2

Hobbies: Woodcarving, Skiing, Biking, Fishing, Archery

Interesting Fact: I've been to Canada

Accomplishments: I've been to Canada

Future Plans: Go back to Canada

Name: Noah Homrighaus
Position: Archery Director
Years On Staff: 1
Hobbies: Target Shooting
Interesting Fact: I fall down a lot.
Accomplishments: I graduated High School.
Future Plans: To be alive, healthy, and married.

Name: Andrew "Swiss" Inglin
Position: Lifeguard
Years On Staff: 4
Hobbies: Making Movies, Learning Classical History, and Snorkeling
Interesting Fact: I'm an angry Swiss!
Accomplishments: Earning my Eagle and being accepted at SUNY Genesco.
Future Plans: To either be directing and acting or teaching classical History.

Name: David Jones
Position: Lifeguard
Years On Staff: 2.98
Hobbies: Eating, Being Awesome, Telling Chuck Norris Jokes, Guitar
Interesting Fact: I enjoy my math homework.
Accomplishments: I achieved a 94 on my math regents and I earned my Eagle.
Future Plans: Chemical Engineering

Name: Dick "DJ" Jones
Position: I am just the Nature Director
Years On Staff: 11
Hobbies: Ice Hockey, Landscaping, and Model Cars
Interesting Fact: I have a tendency to walk off the end of the family camp dock, while talking on my cell phone.
Accomplishments: I obtained a national certification and state license for athletic training.
Future Plans: Im going to live on the Private Road in my mansion watching the camp with my telescope.

Name: Bob "The King of Music" Kestler

Position: Commissioner

Years On Staff: 28

Hobbies: Tennis

Interesting Fact: I was Program Director or Camp Director at 19 of my 28 years.

Accomplishments: I became a ski patroller after retiring from teaching.

Future Plans: I would like to be alive or in heaven. Heaven would be being able to work at summer camp.

Name: "Pretty Boy" Lounsberry

Position: Lifeguard/ Waterfront Model

Years On Staff: 1

Hobbies: Gun Shooting, Water Polo, Competitive Swimming, Looking Pretty

Interesting Fact: I have the same pair of shoes since 8th grade

Accomplishments: I'm an all-star swimmer and sectional champion 3 years running. I am also a male Speedo model.

Future Plans: Teaching outside the state.

Name: Peter Mattingly

Position: Scoutcraft Instructor

Years On Staff: 1

Hobbies: Saxophone, Skiing, Headstands, Giving Shooting Sports Attitude.

Interesting Fact: When I'm bored I watch old Sci-Fi films.

Accomplishments: I earned my Eagle Rank recently.

Future Plans: Medical School then work as a surgeon or cardio technician

Name: Andy Moore

Position: Dining Hall Steward

Years On Staff: 1

Hobbies: Collecting pewter figurines.

Interesting Fact: I can imitate cartoon voices.

Accomplishments: Acquiring Dining Hall Steward as my first job.

Future Plans: First college, then teaching and working here at Barton, followed by being a leader in scouts.

Name: Robert Page

Position: Nature Instructor

Years On Staff: 1

Hobbies: Sword Fighting, Being Late to Flag Raising, and Computer Games

Interesting Fact: I can burp on command.

Accomplishments: I am better at using a computer than my parents.

Future Plans: Earn my eagle, go to college, and continue to be late to flag raising.

Name: Philip Pamel

Position: Woodsman Director

Years On Staff: 2

Hobbies: Knot Tying, Biking, Canoeing, Driving

Interesting Fact: I am secretly ripped.

Accomplishments: I earned my Eagle.

Future Plans: Making money.

Name: Kyle "Scuba Steve" Peterson

Position: Waterfront CIT

Years On Staff: 1

Hobbies: Skiing, Sinking my Kayak, and Fishing

Interesting Fact: I enjoy slipping on the dock at the waterfront.

Accomplishments: I was finally able to realize my dreams of becoming a waterfront CIT!

Future Plans: I want to be an Aerospace Engineer when I grow up.

Name: Colin "Panda" Rynne

Position: Sidney Winter Coordinator

Years On Staff: 3

Hobbies: Cello and Backpacking

Interesting Fact: I enjoy bamboo shoots and have cave-man ethics.

Accomplishments: I earned my Eagle and went to Philmont

Future Plans: I want to work for United Nations or in Sidney Winter.

Name: Ami Saroka

Position: Nature Instructor

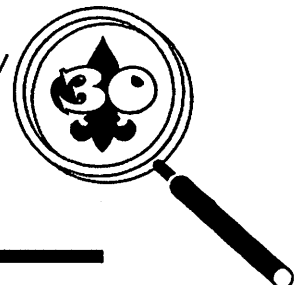

Years On Staff: 1

Hobbies: Reading, Writing, Weed Whacking, and Artsy Fartsy Things.

Interesting Fact: Every year since 8th grade I have broken/sprained my ankle.

Accomplishments: I have made it to expert level in Guitar Hero.

Future Plans: Somewhere with a job and maybe a dog.

Name: Jamie Saroka

Position: Head Honcho

Years On Staff: 1

Hobbies: Running, Stamp and Coin Collecting, Soccer, and Basketball

Interesting Fact: My hair is graying and falling out.

Accomplishments: Participating in SEA semester and being a 2005 National Jamboree Scoutmaster.

Future Plans: Scouting, Camping, and Teaching

Name: Jason Seamans

Position: Handicraft Instructor

Years On Staff: 1

Hobbies: Reading, Gaming, and Frisbee

Interesting Fact: I played Oz in the Groton High School production, Wizard of Oz.

Accomplishments: Earning my Eagle and completing the Philmont Trail.

Future Plans: To patent the first ever left handed Smoke Shifter.

Name: Trevor Speer

Position: Sidney Winter Instructor

Years On Staff: 1

Hobbies: Cycling, Paintball, Sleeping, NASCAR, 4-Wheeling

Interesting Fact: I was born in Germany

Accomplishments: I have a part time job other than my job here.

Future Plans: Join the Air Force, become a fighter pilot, and retire becoming a veterinarian.

Name: Daniel Stanton

Position: Assistant Cook

Years On Staff: 1

Hobbies: Eating, Sleeping, and Breathing

Interesting Fact: I attend BOCES for auto body.

Accomplishments: I once built a sand castle.

Future Plans: Own my own auto body shop.

Name: Garrett Tate

Position: Assistant Nature Director

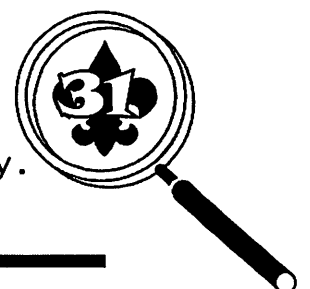

Years On Staff: 2

Hobbies: Baseball, Choir, Sailing, and Dressing in Women's Clothing

Interesting Fact: I live in Houston in the off season.

Accomplishments: I work with the Cornell Lab of Ornithology.

Future Plans: Live in the Rockies or on the coast.

Name: Nate Walter

Name: Sarah Wilkenson
Position: Cook
Years On Staff: 1
Hobbies: Camping, Hiking, Baking, Gardening
Interesting Fact: I like to entertain myself
Accomplishments: I married a great man who also happens to be a redneck.
Future Plans: Go back to school and earn my Master's Degree.

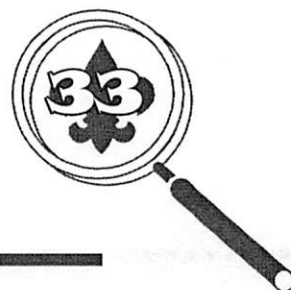

Editors Note

Here it is in its entirety, the 2006 Staff Yearbook (mandatory Yay inserted here). I would like to say that all of my sweat, blood, and tears went into making this record but that would be a lie. This project actually was a means of escape for me from all that hassle, heat, and nonsense that sometimes comes with the responsibility of running a program area. And what started as a monumental project that seemed too large for the time frame, instead turned out to be a reminder of what makes Camp Barton wonderful, its staff. That was what I tried to show in this first of (fingers crossed) many yearbooks to come. I hope when you are reading this 20 years from now you will remember the jokes, the laughs and the friendships that were formed here this summer. I hope that you look at this and remember Camp Barton for what it is, a collection of people tied to a place that not only holds their memories but also defines them as a person.

A special thanks goes out to Bob Kestler who not only provided me with inspiration but was willing to run all kinds of errands and provide funding to make sure that this yearbook was completed.

Your Chief Editor and Shooting
Sports Director,

-William Albrecht
