Camp Barton: Where to go, What to do...

• Waterfront •

Camp Barton's Waterfront offers every BSA Aquatics award, with the exception of Whitewater. The competent and qualified staff is always ready to assist you in using any of the equipment. Cayuga Lake water has been kind all year - kind of cold, kind of rough, kind of high...

"Bonus, Key, I'm Bitter"

"You need to read One Minute Manager"

"Boat no go vroooooom!"

"BUDDY CHECK!"

"The frail little girly men tanning their puny bodies"

"Why's the ski boat say 'RESCUE'?"

"If you can't keep the Chateaux clean I'll close it for 3 days"

"Consider yourself on probation."

"Dorf has tower duty"

"I'll have that fixed by Friday. By the way, did you check the oil?"

• Scoutcraft •

With their extensive knowledge of the ways of the woods, Camp Barton's Scoutcraft staff can provide a camper with what Scouting is really all about. Each staff member has expertise in all fields, but can really show off in each of their specialties.

"You can hear them walking around with all the little jingly-jangly things hanging off their belts."

"Putz".

"I am Klondike. Know me by this!"

"Tie us a knot, you're the Scoutcraft man."

"You're huge"

• Trading Post •

We offer everything that a camper could possibly want, while enjoying sunny Camp Barton.

"What do you *mean*, you're sold out of ponchos?"

"SHANKY!"

"Big Girl beat on Little Guy"

"Dee dee dee dee - <snap> <snap>"

• Field Sports •

We offer Scouts a place to learn respect for firearms and archery. With proper use, this area of camp can teach the principles of Scouting. Camp Barton's Field Sports section also includes a climbing/rappelling tower to challenge the campers.

"I'm certified" • "I can C.O.P.E." • Jah Clive Whitehead

"You don't know what you're doing!" • Bob, Peter & Bunny

"Aide, you're a slacker" • "What's up with that?"

"Guns don't kill people, I do."

• Nature • <oops>

• Conservation / Ecology •

We offer 12 Merit Badges in the Nature area (plus photography in 1992), starting at 6AM (yecch) with Bird Study, and ending with Astronomy at 9PM. This year we actually got to see stars once or twice. We also maintain Camp Barton's famous zoological gardens, home to all sorts of repulsive, slimy creatures (and a few animals, too).

"JULIO!" • "My name is 'Mike', 'Mr. Brown' is my uncle..."

TANSTAAFL • "I have no idea what that is - now take it away."

"No, we won't see stars tonight, and stop dripping on my computer!"

"Of course that isn't in the rock guide, it's a piece of broken beer bottle."

One slug, Two Spotted Salamanders, Three frogs, four newts, five toads, eight snakes, nine crayfish, no minnows and two rock bass with satisfied grins on their faces.

Pull your socks up!
